

2023 YOUTH SUMMER CREW APPLICATION

Our Youth Leadership Program cultivates young food leaders in Bridgeport by developing skills in agricultural knowledge, food justice, career readiness, and leadership. These skills are achieved through participation in the Youth Summer Crew, Food Leader Advisory Group, and an Academic Year Fellowship Program. Youth determine their role in the food system by forging meaningful connections with their neighbors, land, community, and city.

The Youth Summer Crew is one aspect of the Green Village Initiative Youth Leadership Program

Green Village Initiative (GVI) is excited for the 2023 growing season and to host our Youth Summer Crew at Reservoir Community Farm! The 2023 Youth Summer Crew runs June 20th - August 12th (Schedule may be adjusted based on the last day of school). Days combine farm work, skill building workshops, leading farm tours and volunteer groups.

- Youth will be paid \$15 per hour to work, develop, learn and grow into leaders working up to 26 hours each week for eight weeks.
- Youth will receive 2-4 hours a week of paid training in urban farming, leadership, and other skills.
- Youth will work Tuesday - Saturday at Reservoir Community Farm, 1469 Reservoir Avenue, Bridgeport
- Tuesday - Friday you will be working from 7:30am -12:30pm with an extended work day on Saturday from 9:00am - 2:00pm.
- Lunch time is paid and food will be provided.

This is a development opportunity in which youth can accomplish personal and professional goals by practicing leadership through urban farming. We will train youth onsite to accomplish tasks and feel confident in your work, but youth **MUST** be ready to learn.

If accepted, participants must be prepared for:

<p>Committing to at least 4 hours a day of intense physical labor farming outdoors during the summer. (This means heat, humidity, bending, kneeling, and lifting heavy objects!) This requires a mindset of endurance and a consistent positive energy level for you and your team.</p>	<p>Group discussions that will ask you to think deeply about issues you may have not talked about before.</p>	<p>Skill building workshops which require your participation and a ready-to-learn attitude.</p>	<p>Meeting a variety of people with different stories and opinions united by a passion for the Bridgeport community.</p>	<p>Committing to follow all COVID and safety Guidelines in place while working at Reservoir Community Farm.</p>
